

## International MicroNanoConference 2018 - iMNC18

11 & 12 December 2018 - Beurs van Berlage Amsterdam/NL

### INVITATION – WELCOME

Again this year, MinacNed organizes the 13th edition of the international MicroNanoConference. The conference will take place at the **11th and 12th of December 2018** at the impressive **Beurs van Berlage in vibrant Amsterdam**.

The iMNC is known as the central meeting point where national and international people in the micro nano community come together, where you will find the entire chain of Microsystems and Nano-technology and where science meets industry.

The iMNC is the conference that connects institutes, universities, SME's, start-ups, buyers and everybody that has an affinity with micro nano, with the aim to exchange information about new technologies, barriers and solutions to create possibilities for new technology and business relations.

Expecting speakers of **NASA Ames Research Center, IBM, ASML, Frost & Sullivan, University of Singapore and TissUse**.

### iMNC18 topics

#### 1) Organ-on-a-chip

- Organ & Lab-on-a-chip
- Nanomedicine/ drug delivery / drug targeting

#### 2) Microfluidics

- Microfluidics
- Manufacturing of microfluidic devices + Micro analytical systems

#### 3) Biosensing

- Biosensing + Integrated Optics & Opto-Fluidics
- Photonics + Nano sensors

#### 4) Functional surfaces and interfaces

- Functional surfaces and interfaces + Functional nano materials
- Fabrication / Characterization at the nanoscale + Instruments for Fabrication and Characterization

With sessions about **Photonics, Integrated Optics & Opto-Fluidics, Instruments for Fabrication and Characterization, Nanomedicine - drug delivery - drug targeting, Micro analytical systems**

**More details and registration:** <https://www.micronanoconference.org>

**For participants from Thuringen: Ask for the special registration code to register for the MinacNed fees (175 € for 1 day/245 € for 2 days excl. VAT) instead of the regular fees!**

**Contact for participants from Thuringen/DE: Elke Römhild**

**Email:** [e.roemhild@stift-thueringen.de](mailto:e.roemhild@stift-thueringen.de)

**Tel.:** +49 (0)361 78923-76; **Fax:** +49 (0)361 78923-44
